

The BEST is getting BETTER...

Heracell 150i CO2 incubators on Promotion, plus FREE Aqautec cell

Thank you to all the new and existing Heracell CO2 incubator users. You have made it possible for us to make the **BEST**, even **BETTER** !!.

Buying the **Thermo Heracell CO2** incubator is an investment for any cell culture environment. Not only will you be happy with the outstanding results, but your thriving cells will thank you for letting them grow in a **SAFE, SECURE** and **RELIABLE** in vitro environment.

***Patented pan-less system**- *up to 5 times faster* recovery rates of crucial parameters than ordinary tray systems. We, and our cells know that **Humidity Recovery is the most crucial parameter** in cell growth.

***Contra-Con 90 decontamination cycle**- *Proven technology for more than 20 years*, easy and convenient decontamination of whole system.

*** i-CAN Touchscreen interface**- giving you **complete control and access** to all parameters for optimal cell growth

***Aqautec cell** – **added protection** against more than 600 types of bacteria, viruses, fungi and molds commonly found in CO2 incubators. Can be used in any CO2 incubator, waterbaths or reservoirs

***Electropolished surfaces** -creates ultra smooth interior with completely round corners that reduces potential area for contamination

PROMOTION: Heracell 150i @ R48 000.00 excl VAT
PLUS a FREE Aqautec water preservation cell
